4. WMI is also a big fundraiser for our band.

V. WISD Band night 10/7/2019

This evening is the first for the District and it's meant to showcase the bands from the Junior Highs and High Schools. There is no admission fee to attend.

VI. Junior High updates

Cooper:

The Cooper Band is going strong! We perform at WISD Stadium tomorrow night at the Cooper Football Game and next week at Band Night.

Students are working hard to learn All Region Music for those individual competitions coming up, we also had our first two concerts recently. We were also named national winners in the Mark of Excellence and Citation of Excellence competitions from the 2018-2019 Symphonic Band and Wind Ensemble performances!

We have almost filled up volunteer spots for our concessions night in November and are working hard to get more spots filled for WMI.

Adam Powell

McMillan:

We had a very successful Play-a-thon concert on Saturday. The total amount of donations is still being tabulated. It is sooooo much better than selling cookie dough or gift wrap!!

The band will play at the junior high football game tomorrow night – this is always so much fun for the students!

The McMillan students had a great time at Future Pirate Night and I appreciate all the high school parents who helped serve the billions of slices of pizza that night.

We are looking forward to the Band Night next Monday.

Thanks!

Lisa
